## Description

Armstrong is a S3 SRC protection class safety boot recognized for its durability and comfort. Developed with a water repellent nubuck leather, a breathable lining textile, with an abrasion resistant double density PU sole that gives comfort during all day. It also has a Sympatex membrane that makes this model waterproof until 7 hours. This product is incorporated with Clima Cork System technology which regulates the temperature of the feet.

Safety boot ranging from size 39 to 48, Franklyn is ideal for construction, agriculture and outdoor activities.
